London South East Children's University June 2023 Challenge

30 Days Wild

For the June challenge, we are linking with the Wildlife Trust and their annual "30 Days Wild" where they ask everyone to do one wild thing a day throughout the month of June.

You can order (free of charge) a wall chart, information and seeds to either be delivered to your home or via email. This can be done via this link: https://www.wildlifetrusts.org/30dayswild

There are 30 activities, one for each day in June (although you may wish to do more than one per day – that is fine!) and they cover topics such as "Look, touch and smell", "Move in nature", "Discover nature", "Help nature" and "Connect to nature".

Each activity you complete will earn you a 15min stamp, so you could earn up to 7.5hrs worth of stamps for completing all 30 activities!

As you will (hopefully) complete lots of activities, you are welcome to tick off/write a list of the activities you did and then just send a couple of photos/a collage of photos of what you did, rather than sending 30 separate photos – I'm not sure my inbox could cope with that!

Once you have completed all the activities you will be doing, please send Kate one email containing your evidence via BexleyCU@LSEAT.org.uk and she will email you the stamp code to log your activity on your Children's University Online account!

Please do not send each activity individually!
