London South East Children's University
November 2021 Challenge 1

World Kindness day!

Saturday 13th November is World Kindness Day and did you know that 52 Lives run a School of Kindness, which also includes a Kindness Club? You can sign up to their newsletter where they share lots of different ways of showing kindness each week and each time you complete one of their challenges, you can earn a stamp for your passport.

But onto the first November challenge…

You can earn a "52 Lives Kids' Kindness Badge" by asking your parents or carers to fill out a form where you share the acts of kindness you have shown to yourself and others over a period of 4 weeks. Once completed, you will need to send it off to 52 Lives and they will contact you with your badge.

You can find the link to the application form on this website:
https://schoolofkindness.org/kids-club

Once you have received your 52 Lives Kindness Badge, please email a photo/s of it to Kate at BexleyCU@LSEAT.org.uk and she will email you a Learning Credit Slip worth 2hrs!
