London South East Children's University September 2023 Challenge 2

Make a Hat!

A hat is a head covering and are worn for lots of different reasons. It might be to protect you from the sun or the cold, or as part of special clothes to celebrate an event or even for a ceremony or religious reasons.

Remember the mortar board hats you wear to graduation…!!!

Millinery is what we call when a hat is designed and made and there are lots of different types of hats. You can find out about them via this website:
https://ordnur.com/apparel/different-styles-hats-caps/
(please remember to ask an adult to look at this with you)

For this challenge, we would like you to design and create a hat!

You can choose what type of hat you create, what occasion it could be for and what material you are going to make it out of. You will need to think about the shape, the size (to make sure it fits on your head) and how you will decorate it! Please remember that you do not need to buy any special materials for this – just use what you have at home :)

Once you have completed your work, please send Kate an email containing your evidence (a photo is fine!) via BexleyCU@LSEAT.org.uk and she will email you the stamp code to log your activity on your Children's University Online account!
